

On Saturday, **July 3rd**, there **will be** a **Ski Show** off Center Beach in the afternoon and **Fireworks** off a floating barge in the center of the lake at dark. Unfortunately, due to the uncertainties of the times, there will not be a Parade, Kids Zone or any of the other activities normally included in our celebration.

Despite the bad times, the cost of fireworks has not decreased, but the Coronavirus has had a very negative impact on our local businesses. So, since we do not expect to see the same business donations that we have received in the past we really do need to see a significant increase in street corner donations and generous personal donations.
